A **Purchase Order** is an offer by the Government to the supplier to buy certain supplies or services upon specific terms and conditions. The PO falls under simplified acquisition procedures.

A **Delivery Order** contract means a contract for supplies that does not procure or specify a firm quantity of supplies (other than a minimum or maximum quantity) and that provides for the issuance of orders for the delivery of supplies during the period of the contract.

A **Basic Ordering Agreement (BOA)** is a written instrument of understanding, negotiated between an agency or contracting activity and a contractor, that: Contains contract clauses applying to future contracts between the parties during its term.

A **Blanket Purchase Agreement (BPA)** is a simplified method of filling anticipated repetitive needs for supplies or services by establishing "charge accounts" with qualified sources of supply. These charge accounts" allow ordering offices to establish relationships with contractors to provide themselves with an easy ordering tool.

An **Indefinite Delivery Contract (IDC)** is a vehicle that has been awarded to one or more vendors to facilitate the delivery of supply and service orders.

#### There are three types of Indefinite Delivery Contracts (IDC):

- **Definite Quantity** Contract provides for delivery of a definite quantity of supplies or services for a fixed period, with deliveries to be scheduled at designated locations upon order.
- **Requirements Contract** provides for filling all purchase requirements of designated government activities for supplies or services during a specified contract period, with deliveries to be scheduled by placing orders with the contractor.
- Indefinite Quantity Contract provides for an indefinite quantity, within stated limits, of
  specific supplies or services to be furnished during a fixed period with deliveries to be
  scheduled by placing orders with the contractor. The contract shall require the Government
  to order and the contractor to furnish at least a stated minimum quantity of supplies or
  services and, if ordered, the contractor to furnish any additional quantities not to exceed a
  stated maximum.

Indefinite Quantity Contracts are sometimes referred to as Task Order and Delivery Order Contracts.

- A **Task Order Contract** means a contract for services that does not procure or specify a firm quantity of services (other than a minimum or maximum quantity) and that provides for issuance of orders for the performance of tasks during the period of the contract.
- A **Delivery Order Contract** means a contract for supplies that does not procure or specify a firm quantity of supplies (other than a minimum or maximum quantity) and that provides for the issuance of orders for the delivery of supplies during the period of the contract.
