### **Capabilities Narrative:**

We are an outcome-based, healthcare advisory company dedicated to improving the quality, safety and efficiency of medical practices as they deliver care to their patients and their community. We have front-line, management, physician, and executive experience in healthcare. Our healthcare advisors work to transform primary care and specialty practices into high-quality, efficient, safe, patient-centered, value-based venues for healthcare. We assist teams with developing strategic plans; quality and performance improvement programs; quality plans; team-based care models; and care management/care coordination programs. In addition, we provide expertise in obtaining Patient

Centered Medical Home recognition and accreditation as well as guidance to improve ambulatory healthcare management, physician recruitment and retention, and patient engagement.
