Products & Services

Capabilities Narrative:

We are a leader in sustainability consulting and a certified Minority Woman Business Enterprise (M/WBE), Disadvantaged Business Enterprise (DBE), and a Local Developing Business (LDB). ecoPreserve has more experience with writing strategic master plans, developing comprehensive reports, and collaborating with sustainability leaders than any other small firm in the Southeastern United States. Our breadth of project work includes: Airport master plans, sustainability management plans, and roadmaps; Feasibility studies, design guidelines manuals, and operations and maintenance plans; Survey development, data analysis, and database management; Research study development and research instrument creation; Sustainability planning, tracking and reporting, goal development, and implementation; LEED administration and certification for New Construction and Existing Buildings; Community and stakeholder engagement; Training programs; Indoor Air Quality Testing; Ergonomics; Marketing and branding
