Capabilities Narrative:

CorporateLounge is a certified woman-owned business process improvement company that delivers strategy, technology, risk mitigation, and program and project management. We help clients reduce vulnerabilities, enhance workflow, and power profitability by delivering businesses more for less. Simply stated, we provide more value in terms of automation, compliance, intuitive technology systems, and cross-functional expertise so clients can spend less in both time and dollars to effect sustainable change. We hold 75 years of combined experience in business process management and risk mitigation and a portfolio of accounts in 14 industry verticals. Earning 88% of our business by word of mouth further reinforces the fact that we are committed to delivering more value to you. With a technology and staffing network you can leverage, CorporateLounge supports operations around the globe with availability 24 hours a day, seven days a week.
