

## Capabilities Statement

www.pmdworldwide.com

**PMD Worldwide** is a minority and woman-owned full-service administrative services consulting firm. The consulting we provide facilitates a results-driven team environment for clients, cross-functional colleagues, and external partners. We service government, commercial, and non-profit organizations by mobilizing the right people, skills, and technologies to help organizations optimize their performance both nationally and internationally.

### Core Competencies

- ❖ Trucking and Freight Management
- ❖ Transportation services
- ❖ Logistics and Warehouse Management
- ❖ Hazmat Management
- ❖ Professional & Administrative services
- ❖ Staffing &. Professional Development

### Differentiators

- ❖ By emphasizing the team's necessary credentials and training or its in-depth industry expertise and insights, our expert team upholds the firm's track record of successful client engagements.
- ❖ We provide specialised solutions that are catered to the unique requirements of each customer and can make a statement in a crowded market. We can assist the company in standing out from businesses that provide pre-packaged solutions by highlighting the firm's capacity to customise its services to the particular needs and objectives of each client.
- ❖ Our knowledgeable team can provide clients with evidence of cost savings or other advantageous outcomes. This could entail the capacity to minimise waste in the client's activities, streamline administrative procedures, and cut costs associated with overhead.
